

# This is how servilocker works

7 simple steps

## Receipt of your collection-code

1

As soon as we have processed your prescription, we will place your medicines in servilocker. You will receive an SMS and / or e-mail from us, containing your unique collection-code. With this unique collection code and your day and month of birth, you can collect your medicines.

2

### Start

Servilocker shows the welcome screen. Press  to start

3

### Enter collection-code

Enter your collection-code which you received via SMS and / or e-mail and press

4

### Enter Birthday

Enter your day and month of birth and press

5

### Start dispensing

You will see the number of bags available for dispensing. Enter  to start dispensing

6

### Confirm dispense

After removing your bag enter  for closing the door.

**Attention:** When there is more than one bag to issue, the next door will be opened automatically.

7

### Ready
